## THEATRICAL MEN FRIDAY, THE THIRTEENTH, TAGS SAY HER CLAIM IS 'HOLD-UP'

Mrs. Mike Paton has no hold what ever upon the Hughes Musical Comedy for an alleged musical comedy, alleged by her to have been sold for a thousand dollars to Advance Man Frankel, according to statements made this morning by Manager Levy of the company and Director W. R. Hughes.

Mrs. Paton claims that she sold a musical comedy called "Uncle Sam" to Frankel and that she was to get the thousand dollars. Frankel went on to the Orient and after demanding the money several times, both personally and through her attorney, C. C. Bittling, Mrs. Paton called in the officers of the law and last night High Sheriff Haney attached the baggage of the company, which was down at the wharf awaiting departure to night on the Nippon Maru.

Manager Levy said this morning: "All I know about the play is that Mrs. Paton stopped me on the street and asked me about it, and I told her I had heard nothing of this alleged sale to Frankel. I am sure Frankel never bought it, and if he did, he had no authority to act for the company. It is ridiculous to talk of giving \$1000 for a musical comedy by an amateur. Why, we could buy the "Merry Widow" rights for that."

"We know that Frankel never took the play to the Orient with him, so we looked all over and finally found the manuscript in the offices of Manager McGreer where it was lying forgotten."

"Our lawyer, W. B. Lymer, told us that Mrs. Paton has no case whatever, and we won't be held up in this manner."

"Our baggage has been released under a thousand-dollar bond while the case is pending and we will go to the Orient."

approval of the Department Commander.

Captain Jamerson, 2nd Infantry, commanding Fort Shafter, H. T., has accepted the office of treasurer. Lawyer Andrews has stated that he will handle the case as soon as Fifteen (15) hundred dollars are deposited to back him, and with the number of soldiers on this island it should be easy to collect this amount. We are confident that this sum is small compared to the satisfaction there will be in resenting such a statement, or statements, that were made against the soldiers in the service of the United States, by this man.

"Now, what we ask is that each 1st Sergeant place the enclosed blank upon the company bulletin board and kindly see to the collecting of the sums the soldiers desire to contribute and when collected turn them over to the treasurer, Captain Jamerson, for deposit. It is requested that this be done as soon as possible as we are,

"Say, what's your sink of that manager of mine tryin' to steer dis bunch out of dis boig on a day like Friday de thirteenth," said a member of the chorus of the Hughes Musical Comedy Company this morning, bewailing the possibility that the company may be held in Honolulu pending the settlement of some trouble started by a local amateur playwright.

He ought to have known that sumpin was goin' to start," continued the girl, "specially after I tipped him off to the black teline which preannounced across de stage de odder and that we believe that every soldier should be anxious to see this man prosecuted as soon as possible. We can do nothing further until the sum is deposited."

"As has been seen by the papers, the officers are as interested in the case as are the enlisted men, and might they be for the Adjutant General of the Department stated to us personally that as there was no exception in the word 'soldier,' they were insulted with us enlisted men. Therefore we are not going to seek aid from the enlisted men alone but will ask all the officers in the department to contribute also. Many officers have already promised their aid."

## WORK OF 'Y' FORGING AHEAD BOARD HEARS

The board of directors of the Young Men's Christian Association held its regular meeting yesterday afternoon in the board room, those being present were President Trent, W. G. Hall, E. C. Atherton, Robert Anderson, Geo. F. Davies, F. D. Lowrey, H. G. Dillingham, and Judge Lindsay.

The report of general secretary Super shows that there are at present 1146 members in the association, and A. E. Larimer, secretary of the educational department, reports that the total number now attending the night school classes is 179. An increased attendance in the different departments and privileges was shown by a report from the secretary of social privileges, A. T. Wisdom. In the boys' department there are a number of clubs, and three other strong features including a Bible class, gymnasium, and night school. Lloyd R. Ehlman, reporting on the work of the religious department, gave the total attendance as ninety-nine.

Another interesting feature which was brought before the meeting is the proposed establishment of a shooting gallery for the association. It is noticeable that such an attraction may be added, and secretary Super will investigate the matter and make a report at the next meeting of the directors.

The next meeting of the board will take place in January and will be known as the "Mid-Winter Stockholders' Meeting" and will be in the form of an open session at which anyone may be present.

work under his direction.

"In a small boat he will row about the rocks and with camera and spy glass learn the condition of the seals. If possible he will bring back with him specimens of the animal life of the island."

The Los Angeles Tribune says: "Instead of studying the ways of the wily Oriental, Patrolman George Willett will in future devote his time to exploring Hawaiian and other Pacific islands for the United States biological survey. The police commission, on recommendation of Chief Sebastian, today accepted his resignation. Mr. Willett, who was on duty with the Chinatown squad, will sail for Hawaii next month."

It is understood that Willett was picked for this bird expedition because having been a Chinatown policeman he is familiar with the lion. It is thought also that if the party should be marooned on the island without food or drink, Willett's Oriental experience will be invaluable in the making of bird's-nest soup.

## MANY FEATURES FOR NEW YEAR RACE MEET

For the big New Year's race meet at Kapiolani Park, there are to be a number of novel general features, according to announcement today. These features include gentlemen's riding and gentlemen's driving races, bronco-busting contests, by cowboys from local ranches, and perhaps an Indian gymkhana.

The committee in charge of the work is preparing for a mammoth crowd. The purses have up for the races will be large, and the management is taking a firm stand against betting. The races, it is declared, will be run purely on their merits and any suspensions of credit will be promptly punished.

Military features are also likely to be added to the race, though not of course officially.

Petitions have been filed in the court of land registration as follows: By John S. Fuller to register and confirm his title to 51,462 square feet on the Ewa side of Nuuanu street below Wylie street; by Carlton, Neill & Co., Ltd., to register and confirm title to 7556 square feet on the corner of Alakea and Queen streets.
